## PRESIDENT'S REPORT – February 2026

Welcome to 2026.

I hope that you had a good holiday and are ready to begin this exciting new year with SMA.

Our calendar is full already of demonstrations, workshops, exhibitions and Paint Togethers.

Please take note of the calendar in the newsletter and on our new website.

I do hope that you can join us at as many events as possible.

Last year we had 12 new members and we have already 1 new member this year. The SMA is growing from strength to strength because our members are contributing so much.

I would like to remind you about the AGM and elections in March. If you would like to become a member of the committee, please contact me on email or text as soon as possible. As yet we have no secretary and John Marsh, who has been a wonderful treasurer, is unable to continue in this role. Our society cannot exist if these positions are not filled because it means extra work for all those on the committee.

The committee is now organised so that everyone has a job to do. It means the workload is shared among all the members. Please think carefully about applying because our society can only function if we have more volunteers.

Next month, we will welcome the new patron of SMA, Robyn Collier. I hope you can be here for the AGM and the interview with Robyn.

I look forward to seeing you soon at the next demonstration.

Anne

**Maya Angelou: " You can't use up creativity. The more you use the more you have."**

"THIS MUST HAVE BEEN HIS BLANK PERIOD."

## WORKSHOP WITH ROSE GILBEY

21<sup>st</sup> March

### Rose Gilbey - Fine Art Teacher

Rose grew up with art all around her. Her parents met while studying art at East Sydney Technical College so it was natural for Rose to follow in their footsteps.

Rose has produced art in many forms and is not limited to the traditional painting and drawing genre for example, after leaving school she became a Florist and worked in this trade for 30 or so years. This was a career in which she could combine her creativity and her love of nature as an art form.

After having a family and while still working as a florist, she decided to pursue her formal art education. After attaining an Associate Diploma in Fine Art at the Penrith Technical college, Rose completed a B.A of Fine Art at The National Art School in Sydney, majoring in painting and drawing. Her work has been shown in group and solo exhibitions and now resides in many private collections both here in Australia and overseas.

As an artist Rose's work is often based on nature and the simple beauty of things around her. Rose has taught art at TAFE, secondary school level and in community colleges. She takes great pleasure in enhancing the natural ability of her students using media such as graphite, charcoal, pastel and paint to name a few. Together with her ability for painting and drawing comes her love of creating and sharing her knowledge. She believes that behind every work of art there should be a strong foundation of drawing and composition.

### Details to be Announced at a Later Date

---

**Demonstration 19<sup>th</sup> February**  
**Christine Hyde: Alcohol Inks**  
Visual Artist, Painter, Blue Mountains Australia  
FINALIST St Columba Art Prize

Alcohol inks are fast-drying, acid-free, dye-based paints that create vibrant, fluid, and abstract art on non-porous surfaces like Yupo paper, glass, and metal. Highly versatile, these solvent-based inks are manipulated using isopropyl alcohol or blending solutions to create intense, transparent layers. Popular brands include Jacquard Pinata and Tim Holtz.

**Key Aspects of Alcohol Inks:**

- **Surfaces:** Ideal for non-porous materials such as Yupo paper, metal, glass, resin, and ceramic tiles.
  - **Tools & Techniques:** Applied using droppers, brushes, or felt tools; manipulated with air blowers, hairdryers, or isopropyl alcohol for blending.
  - **Effect:** They create translucent, free-flowing, and, when dried, reworkable designs.
  - **Safety:** Must be used in a well-ventilated area due to the alcohol-based solvent.
  - **Additives:** Metallic, pearl, and white mixes can be added for texture and depth.
-

**Management Committee meeting: First Monday of each month.**  
**Next meeting 2<sup>nd</sup> March, 1pm. All SMA members are welcome to attend.**

<b>ACTIVITIES CALENDAR 2026</b>
